Acts

The real good news Ministry launches a better way to live the teachings of the Bible in your everyday life.

"TRGN Acts" is not a school, or a Bible college. TRGN Acts is a Department of the Christian Ministry TRGN, which caters to all Christians. Most schools or Bible colleges have a somewhat an "exclusive" connotation which gives the impression that this type of establishment is only reserved to future Christian leaders, future pastors or in any case to individuals who have the vision to work full time for the Gospel.

"TRGN acts" offers a biblical teaching suitable for all.

This training is not only intended to future leaders, but also to Christians who wish to have a life in accordance with the teachings of the Bible.

TRGN Acts is accessible to all without for this to provide "diluted or light lessons ". The courses are customized, oriented in modules always arising on a practical implementation. In the TRGN Ministry, we believe that the theory without any practice is useless. This is why at the end of each course, each student should be able to explain one or more updates of the teaching that the student would put into practice.

The Real Good News Ministry offers "TRGN Acts" for free. No financial contribution will be ever asked you. The development and monitoring of these courses takes a lot of time to us, some energy, and in some cases some finances, everyone will understand in an obvious way that his candidacy will be examined to determine if the candidate is truly motivated and ready to invest himself in this training.

TRGN acts takes place over two years at the rate of one course per month, itself consists of 4 to 6 modules along with put into practice objectives.
